Training & Placement Brochure

Training & Placement Cell

Ellen has been working excellently for placements of undergraduate and post graduates pass out students for many years now. For improved opportunities for its students, the college concentrates on weeks of intense training, including mock interviews. The student is initially offered an internship with a reputed brand and thereafter receives her 100% placement support from the College.

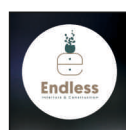

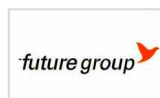

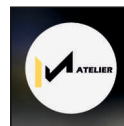

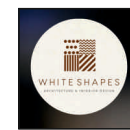

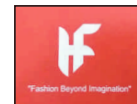

The main objectives of the Training and Placement cell are abridged as follows :

- To maintains regular interaction with the industry through seminars, conferences etc.
- To organize sessions for developing requisite skills in students.
- Personality development sessions.
- Personality mapping sessions.
- Mock interview sessions.
- Self analysis sessions.
